Chorus:

Mynderse, Mynderse, hear our praises,
As each voice is raised;
Glory to the Alma Mater
Of our high school days.

ALMA

MATER

FOREWORD . . .

Between these plaid covers we, the lads and lassies, have tried to bring you the smell of the heather, the skirl of the bagpipes, and the highland flings of '53. We thought the Scotch theme was appropriate, since our spirit is as gay and lively as any tartan plaid. However, we hope we have not been "scotch" in our presentation of our year against the backdrop of this theme.

As Macbeth's castle has been preserved since the times of the Scottish clans, so will our knowledge and experiences remain undimmed in our memories. We started out as wee bonnie freshmen who needed guidance through the confusion or hurly-burly of each new year. With the help of our teachers, who were by no means "scotch" with their time and patience, we have advanced to seniors and graduates and have earned diplomas — our coat of arms.

For those of us leaving MacMynderse, this Myndersian is an invaluable collection of memories: for those clans remaining, it shows what is in store for them.

The Lads and Lassies of '53 will

Tak a cup 'o kindness yet,
For Auld Lang Syne

In salute to our teachers, our school administrators and the remaining clans of MacMynderse.

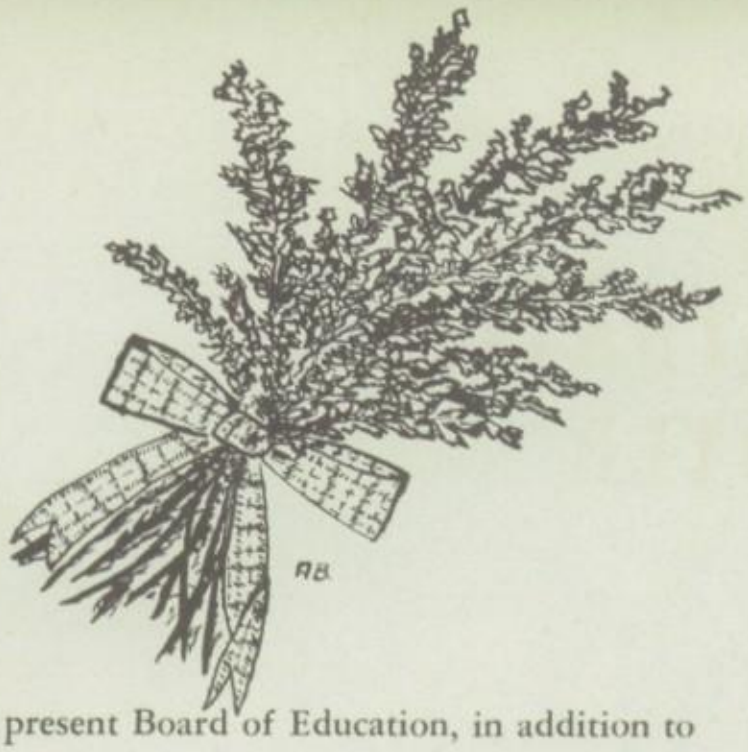
ADMINISTRATION

ADMINISTRATION CENTER

THE WHITE HOUSE



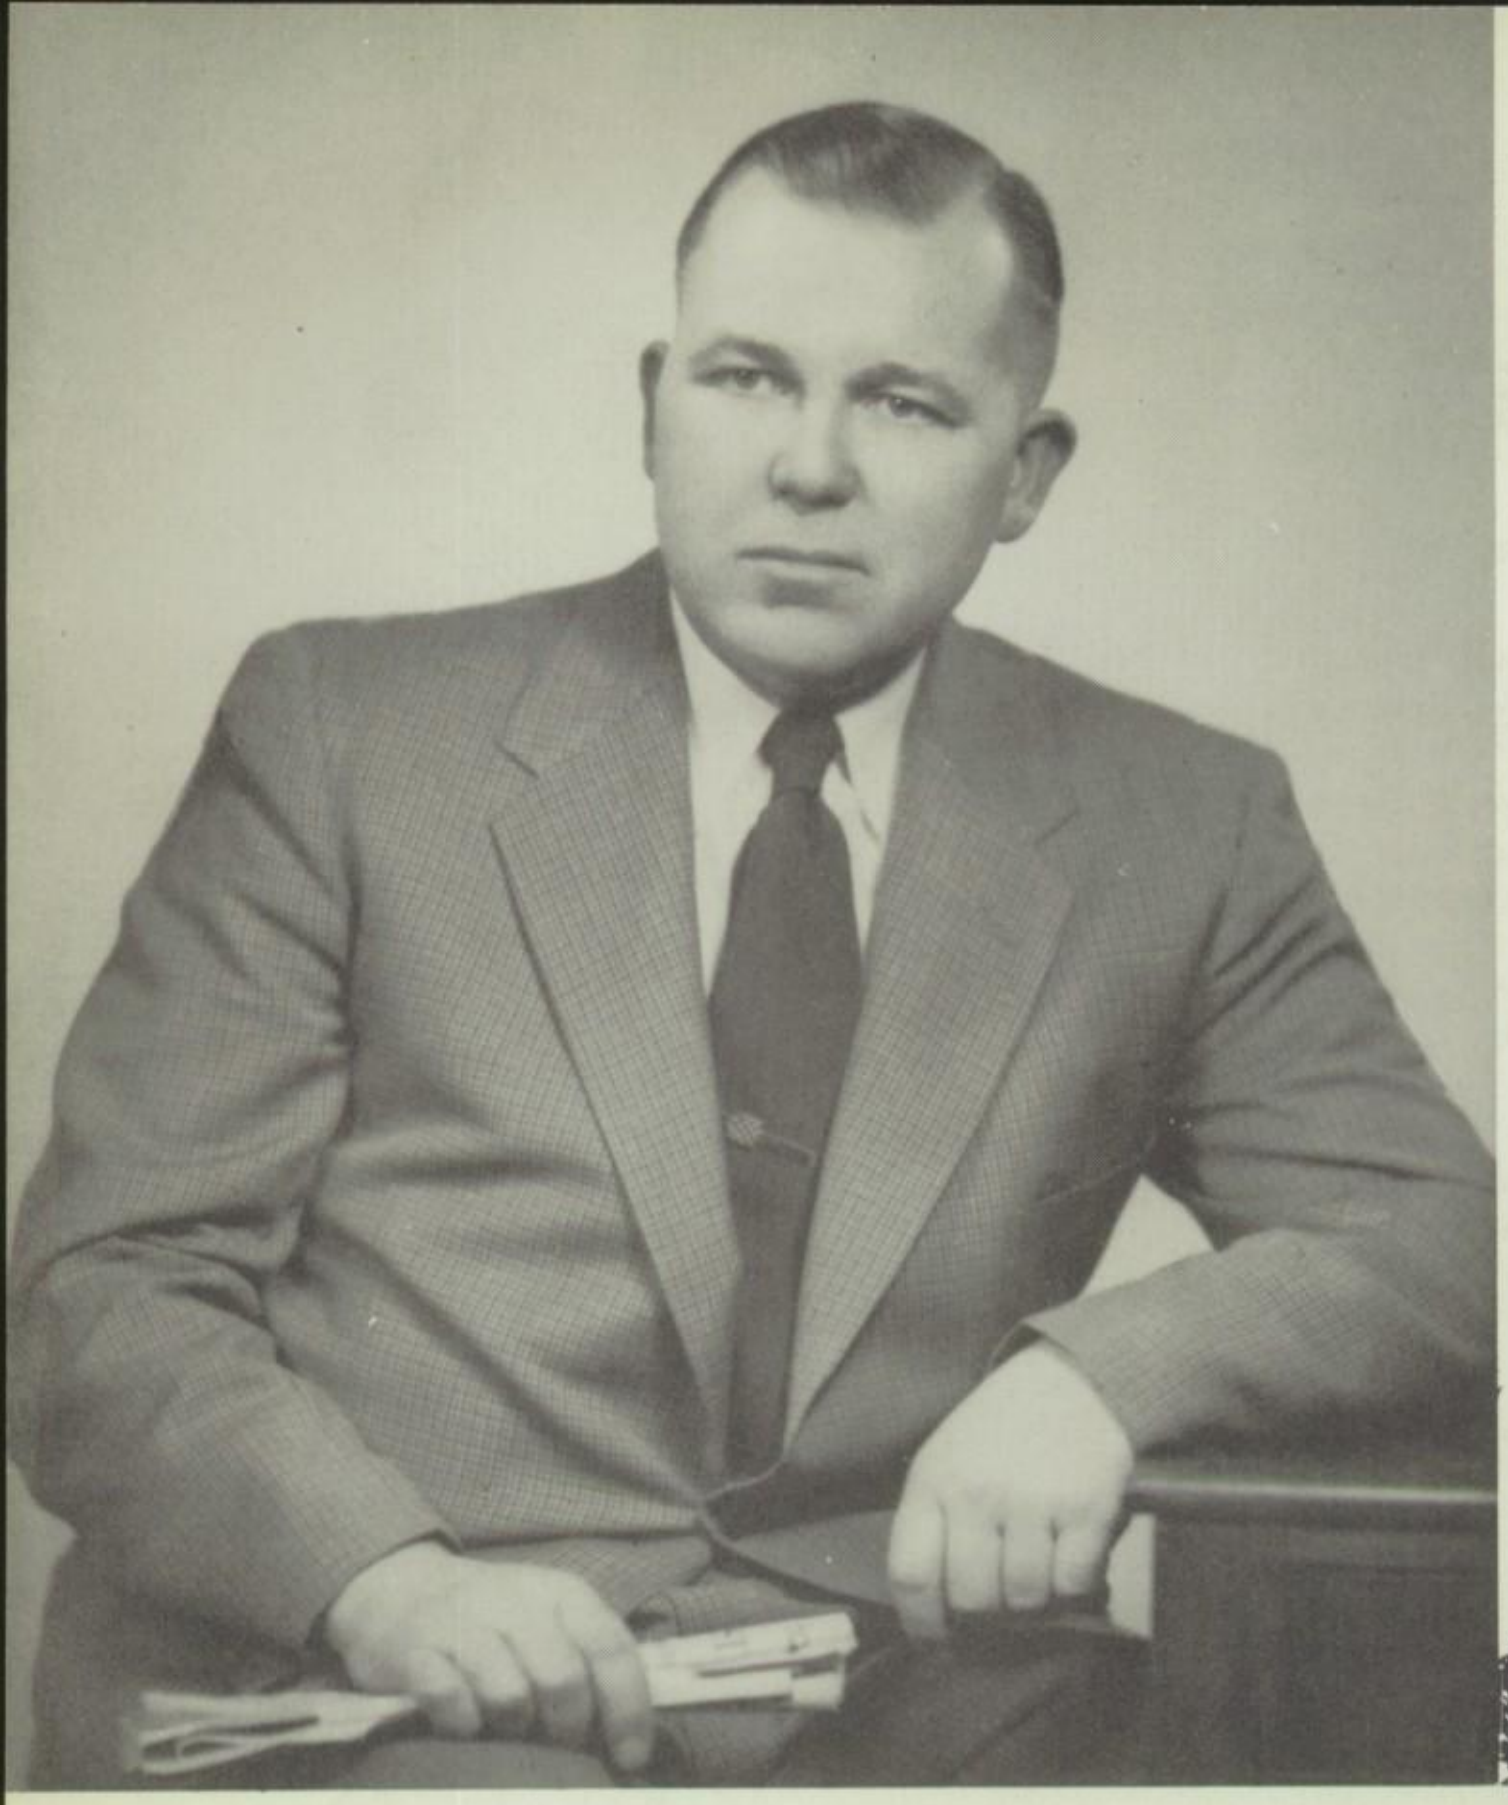
The present Board of Education, in addition to normal maintenance of the schools, has improved the heating and electrical plants, the latter by the installation of new transformers. Increased enrollment necessitated hiring additional grade teachers and the purchase of two new buses. Work on the new school has progressed and the completed garage is in use for temporary classrooms.

As trustees of the Edith M. and Peter Troutman Scholarship Fund, the Board has drawn up the regulations for the selection of candidates for this award to be given for the first time to a member of the 1953 class.

MR. FRANK KNIGHT
President

BOARD OF EDUCATION

Standing: LeRoy Garnsey, Carl Shuster, James McComb. *Seated:* Jesse Rogers, Lawrence Parker, Frank Knight, Orville Yates, Angelo Romeo.



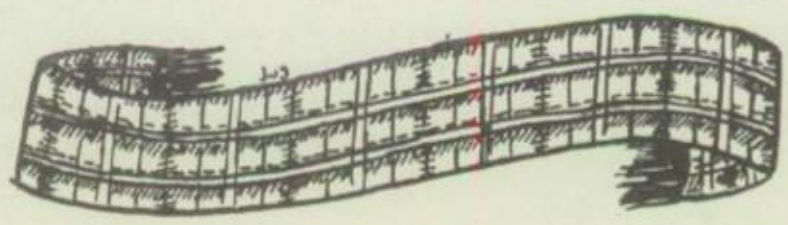
MR. ARTHUR L. BAKER
Syracuse University, A.B., B.S., M.S.

SCHOOL SUPERINTENDENT

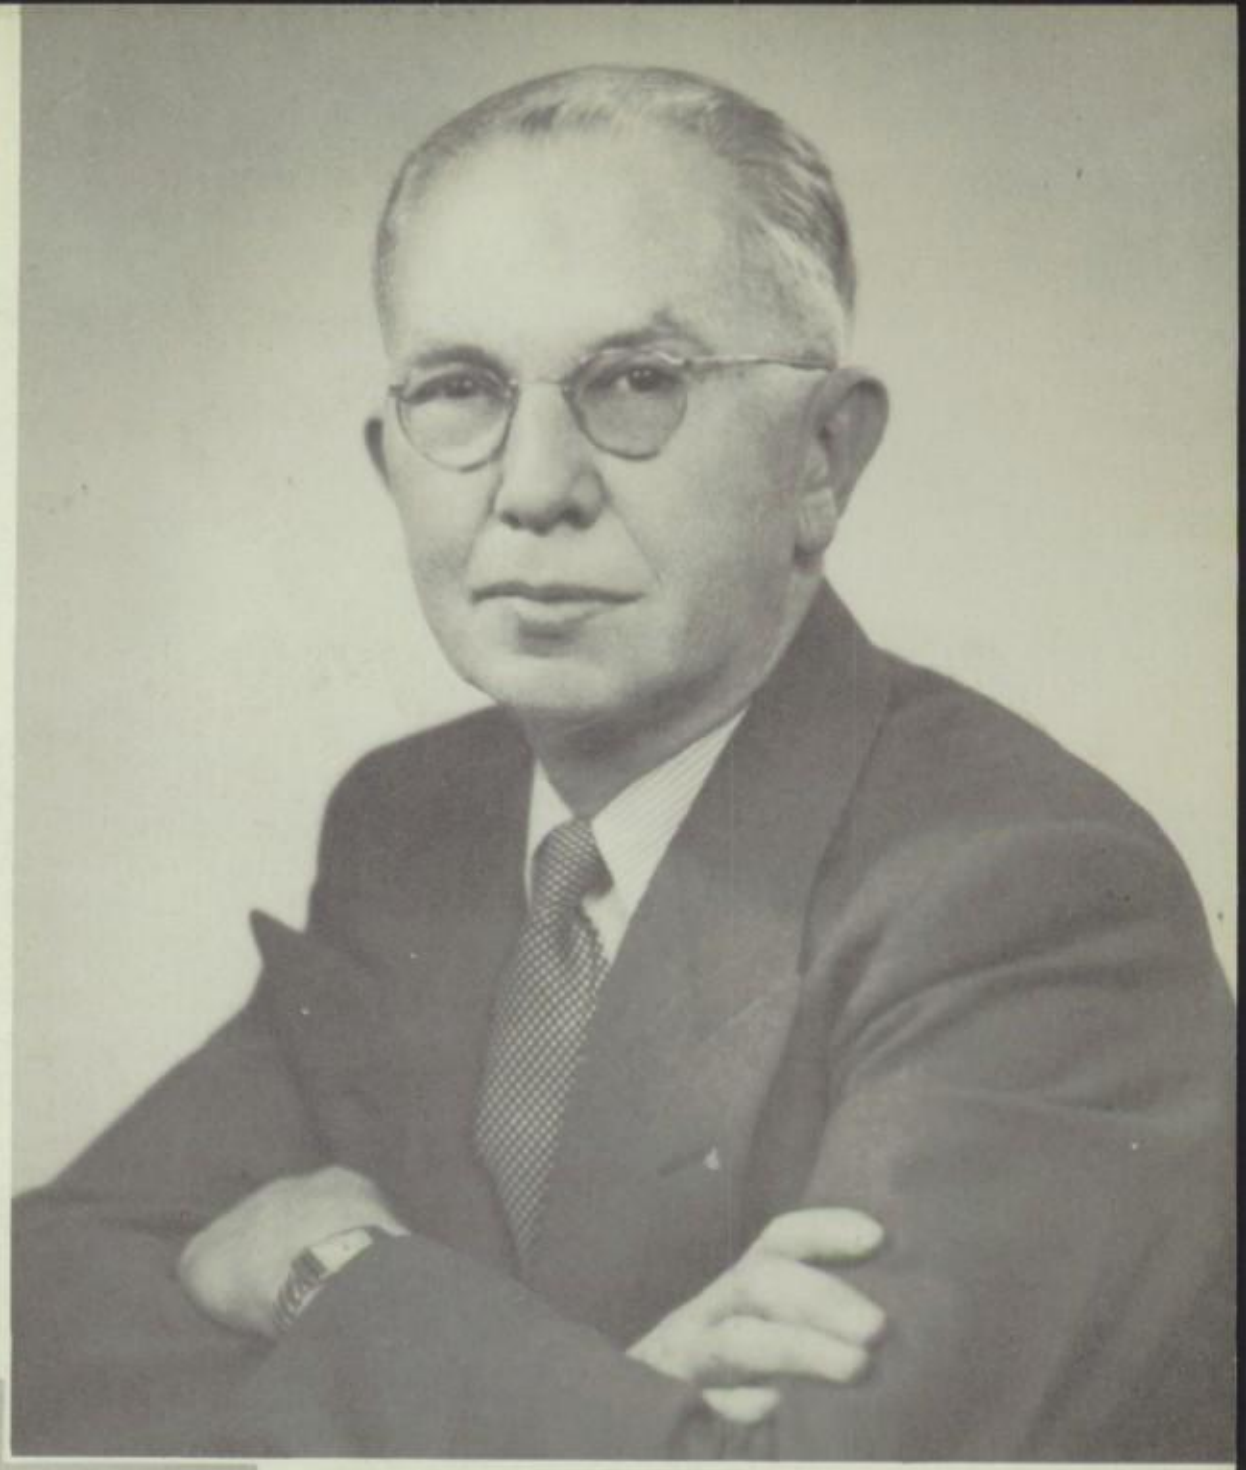
Mr. Baker has been our Superintendent of Schools for four years, in which he has proved an able administrator, interested not only in the broad policies of education but in our student life, where we have found him an understanding friend.

Under his responsible leadership, the plans for a new school system materialized to meet the needs of a growing population. Mr. Baker is respected by teachers, students and community; for his personal life is an inspiration to all who know him.

Although we, the Class of 1953, will never reap the benefits of the new high school, we salute Mr. Baker for his vision in anticipating and working to secure this necessary educational improvement.



PRINCIPAL



MR. FRANK W. VOGEL
B.S. Colgate University
M.S. Syracuse University

A brief biography of our popular principal would show these facts: Mr. Vogel, a graduate of Colgate, came to Seneca Falls in 1919 as a teacher of science. Only three years later he became principal of Mynderse Academy, later receiving his Master of Science degree from Syracuse.

Through the years, Mr. Vogel has guided, directed and disciplined the students under his charge, winning their respect for his generous and unselfish interest in their present and future problems. To Mr. Vogel we say, "Thank you for all you have done for our success."

MR. JOHN C. FRASER
B.S. Ithaca College
M.S. Cornell University

VICE PRINCIPAL

Mr. Fraser, our vice-principal and Director of Adult Education, is well-known and popular. A graduate of Ithaca College and Cornell University, he, as director of the Mynderse Band, brought prestige to our school through developing outstanding musicians.

Always interested in youth he has influenced many to go on to worthwhile careers. Outside of school, he has been a leader in the state music organizations and in local fraternal groups. In compliment to Mr. Fraser, we present the Fraser Clan coat of arms.

CLAN OF 1953

Hoot Mon! What a lucky day in 1949 for Mynderse and us when the newly formed pea green freshmen made up of graduates from St. Patricks and of eighth graders from the first floor congregated for the first time as a unit in the halls of M.A.

Destined to break many records and rules, we started our first by becoming active participants in various extracurricular activities. Next came our initial organized effort to please the students with a completely original dance. "The Hobo Hop." Later to prove our ability, we took top honors in the Frosh-Soph Play Tournament. Ending our career as freshmen with hot dogs galore at the Frosh-Soph picnic, all decided that our freshman year would be very unforgettable.

Sophomores!! We had now attained a goal; we were above the freshmen, and our color had turned to a loyal blue. After again winning the Fresh-Soph Play Tournament we elected our capable officers who helped us through our second year at Mynderse. In April, however, at our dance, "The Wishing Well," we all fervently wished to be gay young Juniors and we got our wish five months later.

JOEN ALDRICH

An effervescent blond, who is interested in the Deep South.

ALYCE AMIDON

Warm and responsive in friendship; that's Alyce.

JUDY AMIDON

Everywhere she goes, sunshine follows her.

CARL ANDREAS

A sparkling smile, a gleam in his eye, topped with a bubbling personality make Carl popular.

JOYCE ASHBAUGH

She has a lot of freight on her train of thought.

ANNETTE BAIR

"A dancing shape, an image gay,
To haunt, to startle, and waylay."

THOMAS BEVINS

Home, sweet home at McCombs.

CHARLOTTE BISHOP
Cute, naive, and buoyant!!

LEON BOLICH
With Leon's initiative and friendly way, success shines in his future.

September, 1952, heralded the beginning of our junior year at Mynderse Academy. The class was full of hope and anticipation for what the year would bring.

Our social life began with the annual Junior dance, "Fall Frolic," which was a big success, thanks to the cooperation of all committee members and the participation of other classes.

Christmas vacation was welcomed by everyone and soon after, Mid-year examinations passed quietly into history.

The "Jumbles" played a prominent part in helping to establish the fame of several juniors, especially our one and only, Dick Jarrett. Everyone agreed that yearly event was a big success.

Back Row: Scibona, Hally, Ludovico, Baldasarie, Webb, Harris, Urquhart, Marshall, Shewbrooks, Wolfe, Cammuso, Kaufman, Knight, Cafaro, Lilla, Robinson. *Third Row:* Bonacci, Reese, Swan, Marrapese, Ward, Thatcher, Goodman, Swinehart, Clapper, Walters. *Second Row:* Bohensky, Bove, DiSanto, Williams, Turkett, DiDomineck, De John, Marr, Lawrence, Brown, Pezzulo, Scaramuzzino, Kordes, Rott. *First Row:* Scarselleta, Piscitelli, Kirker, Troy, Holland, Farrell, White, Youngs, Sage, Nucci, Duonola, Meeks, Green, Bennett.

The junior play, "We Shook the Family Tree," also met with approval. It took much time and energy, but it was certainly fun!

The Junior-Senior Party and Class Night, both held the spotlight toward the end of the year, as the two upper classes joined hands to say "good bye."

The most beautiful and thrilling night in our whole junior year, however, everyone will agree, was the Junior Prom in June. It was the perfect finale to a perfect year.

Thank you, Mynderse. Next year we'll return as your seniors.

Assigned to our respective homerooms, we, the sophomores, set about living as full a life as sophomores can. We joined as many activities as possible and gave them our full-hearted support.

We are well represented in everything and whether you venture to the gym or to the library you are sure to see a sophomore busy at work.

We are even skilled in the field of entertainment. Didn't everyone enjoy our refreshments and the music at our class dance?

Back Row: Rossi, Moulton, Giovannini, Hosford, Bates, Torrellas, Panneton, Christopher, Turkett, McNaney, Campbell, Bevins, Bolich. *Third Row:* Amidon, Palandro, Platten, Scannell, Lopez, VanHouten, Ruby, Dutton, Campbell, Piscitelli. *Second Row:* LaBour, Knight, Kirker, Koch, Burtless, Huff, Lombardo, Parker, Green, Andreas, Fahey, Best, Colavito, Decker. *Front Row:* Griffith, Carnesi, Giglio, Frantz, Wheeler, Paquin, Blaisdell, Magill, Cunningham, Holland, Jones, Dunham, Dausch, Disinger.

The pleasant mixture of good fun, food, and sun at the Frosh-Soph Picnic eliminated any bad feeling that might have lasted from the Frosh-Soph Play Tournament.

With thanks to advisers for helping us have an enjoyable time we end our sophomore year. We feel, however, deep regret that tragic death took Regina Hosford, one of our members, a girl we shall miss very much.

We approach Moving Up Day when we will be juniors with lively anticipation.

The pea-green Freshman Class congregated on third floor one gay September morning. We elected four very capable class officers to assure us of a successful year.

Sports claimed many freshman boys; several girls made J. V. cheerleading. A freshman cheering squad organized by seven peppy Frosh girls added enthusiastically to the support of their basketball games.

The class of '56 was eager for entertainment. The Library Club entertained us royally and our spring dance provided fun for all.

Back Row: J. Lewis, Schartzer, McCutchen, J. Warfle, McCann, G. Reynolds, Schmitt, Wallace, Hooper, DePasquale, Woods, Van Cleef, Hughes, Amidon, Missilli, Nugent. *Third Row:* Nicandri, Parker, Harris, M. J. Amidon, Putney, Smith, Howe, Lockwood, Cracknell, N. Although not everyone could have an acting part in the Frosh-Soph Play Tournament, many helped on important committees, without which the play couldn't have been a success. We ended the year with an enjoyable Frosh-Soph picnic at Cayuga Lake with even better things in view for next year.

The entire class was saddened by the sudden deaths of our classmates, Antoinette Perdicho, and Dave Cusimano, and we all feel these losses.

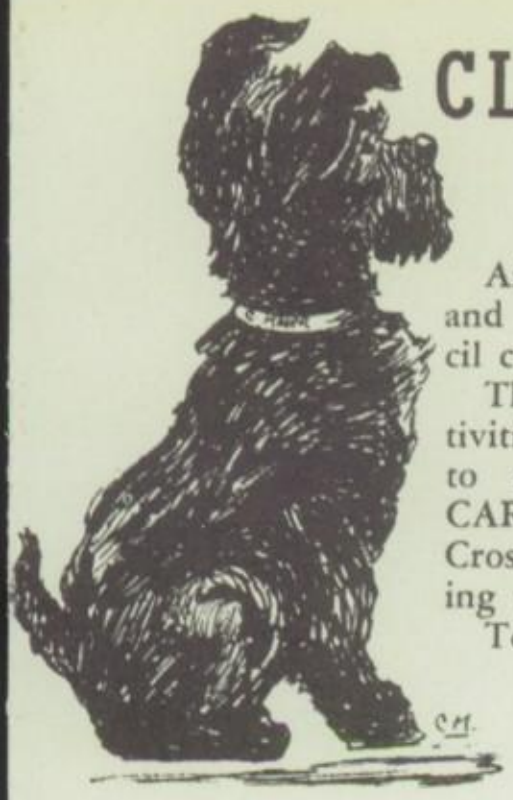
ACTIVITIES



CLAN COUNCIL

Aided by their advisers, Mrs. Seld and Mr. Radtke, the Student Council completed a very successful year.

The council continued the activities of last year by sending cards to ailing students and teachers, CARE packages, pencils for Red Cross Christmas boxes and by helping with March of Dimes drive.

To promote school spirit, the council managed the buses to out-of-town games, cooperated with Block M in preparing a rally for the Waterloo football game and sold tickets at football and basketball games

New undertakings include their participation in a student council conference at Penn Yan in April, co-operating with the Kiwanis Club in a Youth Day Program and planning a new student award—the first annual Citizenship Award in memory of Walter Cerep, late member of the group.

Ruth Howland, Annette Bair
Co-Editors

Miss Julia H. O'Brien
Adviser

The 1953 *Myndersian* staff chose a colorful Scotch theme for their annual publication. They worked from fall through March preparing photographs, candid "snaps," and writeups, with a "bigger and better" yearbook as a goal. Staff heads included Annette Bair and Ruth Howland, Co-Editors; Cameron Fraser, Business Manager; Margaret Martello, Head Typist; James Romeo, Photographic Editor; Claire Maier, Art Editor; Leon Bolich, Sports Editor. Invaluable assistance was given by Bullock Studios and Sutterby and Son. Appreciation also goes to Miss Trulan for her help to the Art Staff in carrying out the theme.

A successful book could not be completed without the cooperation of the administration, faculty and students. Financial aid was given by all those who supported the magazine drive, the subscription drive and by those who advertised.

To Miss O'Brien, our adviser, goes our special thanks for her much needed aid, instruction, and inexhaustible patience.

STAFF

Mynderse *"Microphone,"* bi-weekly p[u]blication, has added several new features this year to improve the paper. [a] and ink sketch of the new school was added as a mast-head, while [the] baby pictures, a feature of last year, were replaced by "Mynderse in Profile" and "Noggins Anonymous." The staff expanded the public relations program by polling ex-seniors for suggestions for the improving of school life. A column of sports predictions was also added.

Miss Teresa Compitello
Adviser

EDITORS AND BUSINESS MANAGER

Bove, Sisson, Campbell.

The importance of the paper is due to the fact that it brings the school news to the community through school channels. Miss Compitello does outstanding work in guiding the staff to produce a good paper.

The *Microphone,* edited by Kevin Bove and William Sisson, was represented at the Empire State School Press Association Conference in Syracuse.

A luncheon in May at which awards were made ended activities for the year.

LIBRARY CLUB

As a result of the graduation of many of its former members, more students than usual were admitted to the Library Club last fall.

Two of the club's projects were to visit a large public library and to entertain the library club of another school.

The club's major accomplishments included a showing of new books and the entertaining of the Freshman Class and its advisers; the research program used to provide biographical material to various classes which has been expanded from previous years. As usual, during their free periods, members attend to desk duty and other routine affairs in the library.

WIG and ROUGE

One of Mynderse Academy's older organizations, the Wig and Rouge, with Mrs. Plummer as adviser, has again this year, fulfilled its purpose of promoting interest in speech and drama.

Their well-planned schedule gave us an inspiring Christmas program, a one-act play, and the annual Frosh-Soph Play Tournament. They also did not forget their yearly aid to girls, sponsoring again the girl-ask-boy dance.

Always ready to help, the Wig and Rouge applied make-up to the Rotarians and Kiwanians in their annual productions, as well as to the Junior and Senior play casts.

The Wig and Rouge members found time to enjoy themselves also by attending out of town dramatic productions. They ended another successful year with their annual picnic.

SENIOR PLAY

Back Row: Rogers, Bair, Lombardo, Carbone, Brown, Lockwood, Wilson, Ashbaugh, Bove, Howland. *Second Row:* Sherman, Sisson, Bishop, Souhan, Cline, Maier, Amidon. *Front Row:* Malone, Reynolds, Potter.

The senior play, "Take Care of My Little Girl," directed by Mrs. Plummer, was a sprightly college farce. The plot revolved around the problems that arose among freshmen looking forward to being pledged to the Queens Sorority, the best on campus. The story centered around Liz Erikson (Betty Cline), Casey (Shirley Lockwood), reactionary in the sorority, and their friends and foes. A good supporting cast gave a satisfactory performance.

JUNIOR PLAY

"We Shook the Family Tree," under the direction of Mrs. Thedore Guglin, was a riotous success. Hildegarde Dalson, (Betty Baldasarie) faced many family obstacles over her Prom date, Freddie Shermer (John Scialdone), an unwilling wearer of knickers. Finally, Hildegarde and Freddie succeeded in outwitting the latter's "stuffy" parents, and best of all, Freddie won emancipation from the detested knickers forever.

Completing their second year as a group, the musicians played for school dances, parties, and several outside engagements.

Four new members were taken in to raise the total to six, with plans for further expansion.

Le Cercle Francais, consisting of forty-nine members, the largest number in many years, initiated fourteen new members this year.

The club, directed by Mrs. Seld, had an interesting year. They sponsored noon hour dances enjoyed by the whole school. Their monthly meetings were conducted entirely in French, to further their use of the language. Entertainment by puppet shows and educational French games were features of meetings. To end the year a banquet was held at the Armitage at which time eligible members received club pins.

SCIENCE CLUB

Double, double, toil and trouble,
Fire burn and caldron bubble.

Boom! Crash! Bang! Mynderse Academy's Science Club got underway this year with an appropriate beginning — experiments, explosions, and discoveries.

The highlight of the year was the trip with Mr. Guglin to the Corning Glass Center. We were all fascinated by the museums, optics department, glass blowers and etchers, and the beautiful glass display. This trip proved the theory that fun and facts can be combined to yield experience.

Our traditional Science Club picnic ended the year. Those not graduating are looking forward to next year's experiments and discoveries in the wonderland of science.

STARTING LINE-UP

The Mynderse Blue Devils claimed the Wayne Finger Lakes Conference title by completing their second straight undefeated season.

Throughout the fall a powerful line and backfield kept opposition to a minimum. Mynderse compiled a total of 259 points compared with the opponents' 44 points.

Two relatively new teams entered the group of Mynderse's rivals this year, Newark and East High of Rochester.

The victorious Mynderse team was well-trained by the superior coaching of Mr. Davis, Mr. Koska and Mr. Masterson.

Back Row: Pannucci, Howes, Cosentino, Jarrett, Saracino, Irland. *Front Row:* Rogers, Caraccilo.

BASKETBALL

Mynderse Academy's 1952-53 basketball team completed its season with a decisive victory over DeSales. Four other wins were also salvaged by the Blue and White during the season, including two victories over Ovid and one over both Lyons and Geneva. Nearly seventy-five percent of the losses were by narrow margins of points.

The team under the direction of Coach Masterson, showed excellent team spirit and sportsmanship. High scorer for the year was John Pannucci who netted a total of 206 points.

Seniors on the squad who played for Mynderse for the last time include Irland, Pannucci and Rogers.

TRACK

Led by co-captains Cunningham and Shepherd and ably coached by Mr. Cooley, the 1952 track team was victorious in two of its slated meets. With a score of 58-38, Mynderse defeated Newark; Phelps was beaten by a score of 42-40.

Competition was also held with Geneva, Penn Yan and Waterloo. Runners were sent to the Sectionals, the Relay Carnival held in Geneva and the Section V meet in Rochester.

Although several runners will be lost through graduation, good seasons are expected in the future since Junior High students are now being trained with the varsity team.

Outstanding features of the club who had invaluable coaching experience from Mr. Masterson, were a tight-defensive infield and shutout ball pitched by Pannucci.

Managed by Palandro and Peone, the squad was led by Captain Addona.

Cy Garnsey received both the Most Valuable Hitter Award and the Most Valuable Player Award.

An addition to baseball is the Junior Varsity team, organized and coached by Mr. Winthrop.

GOLF

Efficiently coached by Mr. Fraser, Mynderse's golf team entered into competition with Geneva and Waterloo, two matches being scheduled with each team.

This group consists of fifteen prominent male athletes in Mynderse Academy. Their primary goal is to promote and achieve better sportsmanship and fair play, not only in athletics, but in all school activities.

At Mr. Baker's suggestion, the Block M worked diligently using the project of sportsmanship cards passed among the spectators to improve the quality of the behavior at our games.

Block M leads other clubs in social life, too, combining a hayride, a formal dance, and a picnic in one year.

The outstanding athletes of the year receive awards from the Block M at the final assembly in June.

OFFICERS

The Girls' Athletic Association, which is composed of twenty-two members who are selected by a point system, rating their sportsmanship, ability, team cooperation and participation, shares responsibilities of athletic activities with the Block M.

Under the guidance of Miss Finley, club adviser, the G.A.A. supported the teaching of the units of modern dance in the gym classes and also more advanced work in the various sports. The G.A.A. sponsored play days, intramurals, and also chose and presented awards for the outstanding girl athletes.

They ended their yearly activities with a picnic at the State Park.
